

HEALTHCARE • BUSINESS • TOURISM

Two countries. A partner by your side.

Receive care. Grow your business. Discover.
We prepare your stay and support you on the ground.

GABON

TÜRKİYE

YOUR JOURNEY BEGINS WITH A TEAM THAT LISTENS

Accommodation, transfers, meetings, visits and support:
a programme built around your goals.

Individuals • Families • Entrepreneurs • Companies • Delegations

DM PARTNERS / YOUR LOCAL LINK BETWEEN TWO COUNTRIES

Three reasons to travel. One standard of care.

A useful, comfortable and organised stay. We bring together the contacts and services your project needs.

**HEALTHCARE****Your care journey**

Medical review, hospital coordination and the patient's and companion's stay.

Gabon to Türkiye**BUSINESS****Your business mission**

Meetings, suppliers, company visits, trade fairs and interpreting.

In both directions**TOURISM****Your tailored stay**

Accommodation, excursions, visits, family time and everyday comfort.

In both directions**SUPPORT IN BOTH DIRECTIONS****From Gabon to Türkiye**

Arrival support, a leisure stay, a business mission or an organised care journey.

From Türkiye to Gabon

Discovery travel, market exploration, business meetings and site visits.

1**A local team**

Local contacts in Gabon and Türkiye.

2**A clear programme**

Agreed dates, services and budget.

3**Easier communication**

Coordination in French and Turkish.

BUSINESS / MISSIONS, MEETINGS AND TRAVEL

Focus on your meetings.

We coordinate the local arrangements and logistics so you can devote your time to your business discussions.

Gabon to Türkiye • Türkiye to Gabon

Prepare your mission

Objectives, target sectors, contacts to approach and an appointment schedule.

Meet the right contacts

Suppliers, clients, companies and potential partners; meetings subject to their availability.

Visit and understand

Organisation of factory, site, showroom and industry trade fair visits.

Travel efficiently

Hotel, transfers, driver, interpreting and coordination of your delegation's schedule.

Extend your mission: add cultural visits or a leisure stay to your business programme.

TOURISM / STAYS AT YOUR PACE

Enjoy the destination. We prepare your stay.

As a couple, family or group of friends: your itinerary fits your interests, pace and budget.

Discover Türkiye from Gabon. Discover Gabon from Türkiye.

Your stay in Türkiye

City and cultural discovery, food, shopping, excursions and leisure time. A programme chosen with you.

Your stay in Gabon

Culture, coastline and nature with local professionals and excursions planned around access conditions.

Stay comfortably

A hotel or residence suited to your comfort and budget.

Get around

Airport welcome, transfers and a vehicle with a driver.

Discover

Accompanied visits, excursions and activity bookings.

YOUR STAY / FROM FIRST CONTACT TO RETURN

A clear programme. A supported journey.

Business or tourism, in either direction: we organise your stay with an identified point of contact.

01

Your brief

Destination, dates, number of travellers, expectations and budget.

02

Your proposal

A tailored programme, accommodation, transport and costed services.

03

Your preparation

Confirmation, bookings, support with travel formalities and practical information.

04

Your stay

Airport welcome, transfers, visits or meetings and programme coordination.

05

Your return

Departure arrangements, airport transfer and contact after your stay.

AN ORGANISATION THAT PLANS THE EVERYDAY DETAILS

Luggage, timing, family or delegation needs, accommodation comfort and agreed transfers: the details are built into the programme.

Included services, options and conditions are specified in your proposal.

HEALTHCARE / WHY CHOOSE TÜRKİYE?

An international healthcare hub.

Medical expertise, a choice of facilities and international patient services: Türkiye brings together the strengths to plan your care abroad.

1.4 million

visitors arriving for healthcare in 2025¹

\$3.02 bn

health tourism revenue in 2025¹

4,140

healthcare facilities registered with HealthTürkiye²

Specialist teams

Expertise selected according to the condition and the case.

A broad choice of care

Medical, surgical and planned healthcare journeys.

International patient services

Services dedicated to patients travelling from abroad.

A budget to review

A tailored quotation to compare treatment and stay arrangements.

ESTABLISHED NAMES, A CHOICE SUITED TO YOUR NEEDS

The groups and facilities we work with include:

Acıbadem

Liv Hospital

Güven Hospital

Medical Park

Medicana

American Hospital

Other facilities are also considered according to the specialty, case, availability and care plan. Our search is not limited to these names.

HEALTHCARE / OUR AREAS OF SUPPORT

Your medical need. The right specialist.

A specialist consultation, second opinion, procedure or check-up: we help connect you with the appropriate team.

Oncology

Specialist opinions and coordination of treatment journeys.

Cardiology

Assessments, interventional cardiology and cardiac surgery.

Orthopaedics

Joints, trauma and musculoskeletal surgery.

Neurology

Neurology, neurosurgery and specialist assessment.

Children's health

Paediatrics, specialist opinions and paediatric surgery.

Hair transplantation

Assessment, transplant arrangements and follow-up instructions.

Dental care

Assessments, restorations and implants where indicated.

Ophthalmology

Consultations, examinations and eye surgery.

Aesthetic surgery

Consultations and an individual plan with the surgeon.

Other surgery

General surgery, urology and gynaecology.

Health check-ups

Check-ups and tests tailored to the patient's profile.

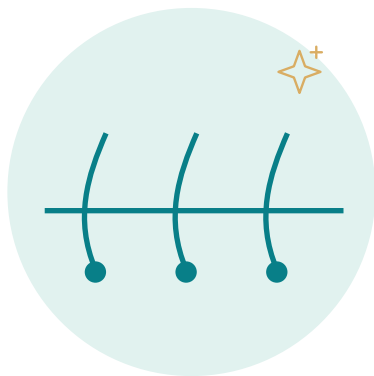

Rehabilitation

Organisation of functional recovery programmes.

Your need is not listed here? Contact us and we will seek the right specialist. Treatment indications and care decisions belong to the medical teams.

HEALTHCARE / PERSONALISED JOURNEYS

Your project is personal. So is your support.

HAIR TRANSPLANTATION

A prepared project, an organised follow-up.

We organise assessment by a specialist team, the quotation, your stay and contact after the procedure.

- Before** Photos and information shared with your consent; an opinion on feasibility and the proposed plan.
- On site** Consultation, the procedure if confirmed, and arrangements for check-up appointments.
- After** Instructions from the clinic and coordination of remote follow-up.

PAEDIATRICS & PAEDIATRIC SURGERY

Care for the child. Support for the parents.

Paediatric review, tests or specialist care: we prepare the journey with the family and the medical teams.

The family at the heart of the stay

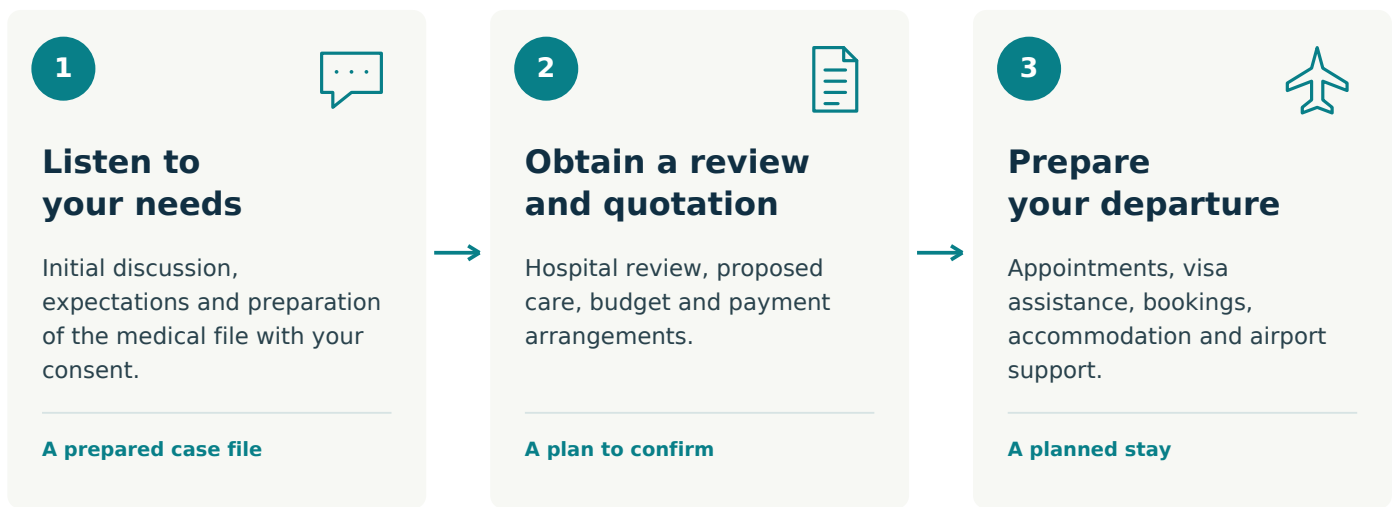

A parent's presence, suitable accommodation, easier transfers and explanations in French. The return is prepared using the paediatric team's instructions.

HEALTHCARE / YOUR MEDICAL JOURNEY

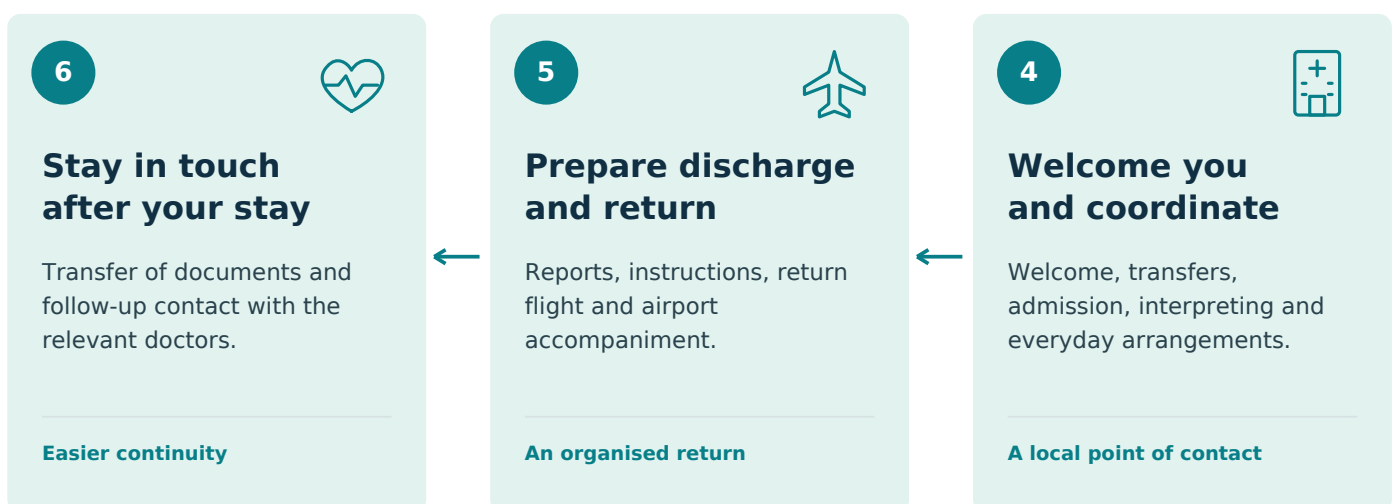

From the first conversation to the return to Gabon.

Know what comes next, who coordinates your request and what must be confirmed before travelling.

BEFORE DEPARTURE

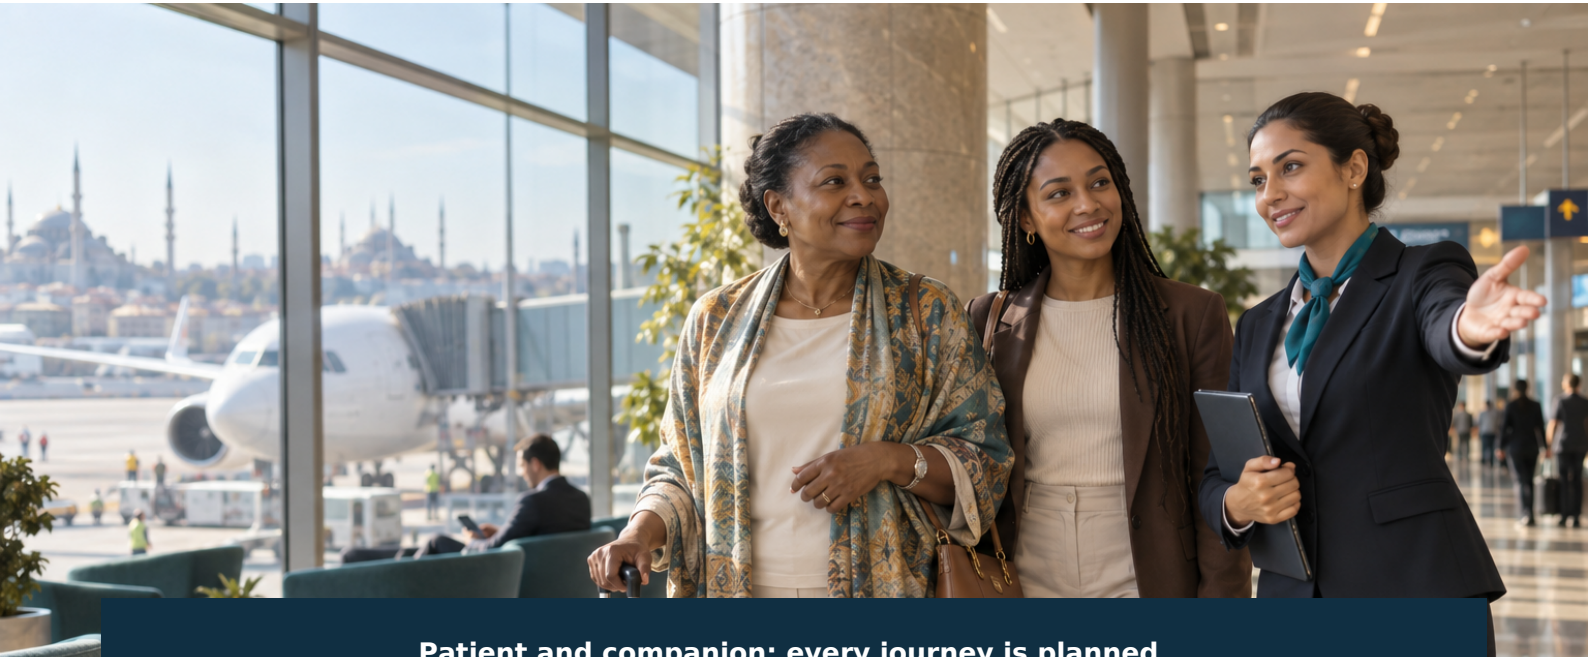

IN TÜRKİYE, THEN ON RETURN

Two coordinated teams for one care journey.

HEALTHCARE / THE PATIENT AND COMPANION

By your side at departure. And through to your return.

Patient and companion: every journey is planned.

Airport

Accommodation

Hospital

Through to boarding

Help with formalities, check-in and accompaniment through to boarding, within permitted access.

All programme transfers

Airport, accommodation, hospital and check-ups: agreed journeys are coordinated with a suitable vehicle.

Your companion's comfort

Accommodation, proximity to the hospital, transport and your companion's practical needs planned ahead.

A return prepared with you

Discharge approved by the medical team, documents, return transfer and coordination of arrival in Gabon.

Included services, options and assistance needs are specified in your proposal.

HEALTHCARE / COORDINATION AND FUNDING

Fewer formalities. Clearer next steps.

Care abroad involves much more than an appointment. We connect the people, information and stay arrangements to help you move forward.

**A team in each country**

A local presence in Gabon to prepare your request and coordination in Türkiye to organise your arrival and stay.

**A choice guided by your case**

We approach the contacts suited to the specialty, your practical needs and your care plan.

**Easier communication in French**

A point of contact to explain the next steps, relay your questions and coordinate medical interpreting.

**A clear picture of your stay**

Care, logistics and companion needs: we bring together the information needed to plan decisions and budget.

A JOURNEY ADAPTED TO YOUR FUNDING**Patients & families**

A personalised quote and budget confirmation before departure arrangements.

Insurers & companies

Document coordination and confirmation of the scope of coverage.

Public institutions

Administrative and medical file, prior written approval and confirmed payment arrangements.

YOUR CONTACTS / TWO COUNTRIES, ONE TEAM

Two founders. One shared commitment.

Bringing Gabon and Türkiye closer. Making your care, business travel and discovery stays easier.
